

# ASSEMBLY INSTRUCTIONS

Read the Instructions fully and retain for future reference.

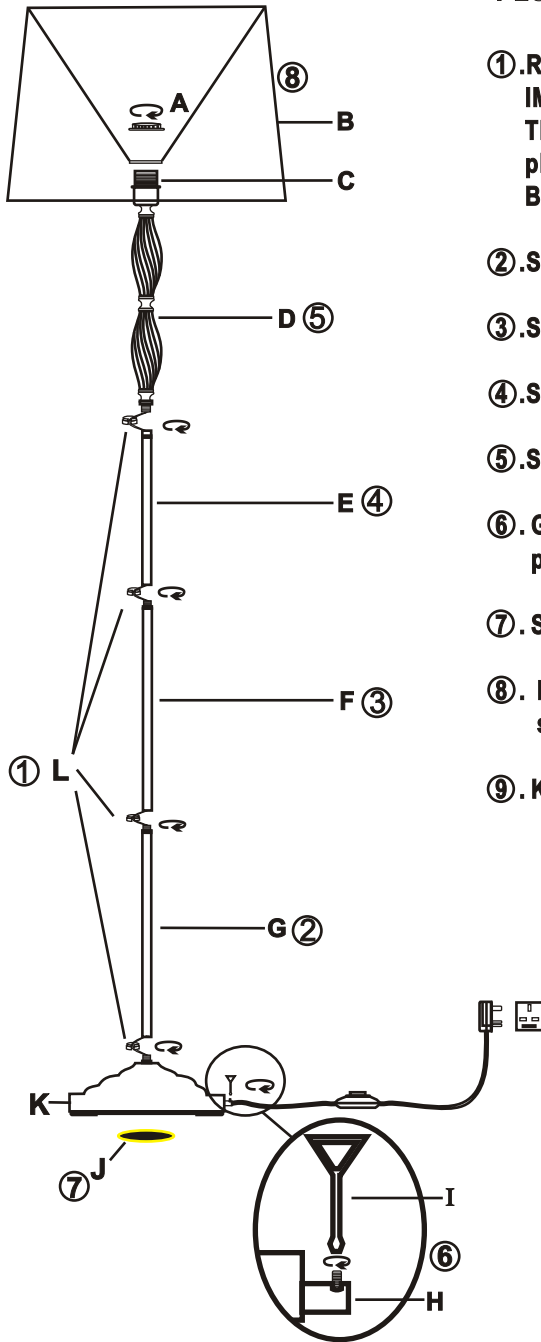

**Caution: Before assembling your luminaire inspect each part for any defects**

**Inspect the wire insulation for any cuts, abrasions or exposed wires.**

**If there is damage do not continue the operation. Consult a qualified electrician if you have any doubt.**

**Floor Lamp uses ES/E27 Bulb (Max 42W) not included. Do not exceed the recommended wattage.**

## CHROME TWIST FLOOR LAMP PLU: 081888

- ①. Remove plastic rings (Part L) from the metal tube.  
**IMPORTANT NOTICE:**  
This plastic ring protects cable avoiding being damaged during transportation, please throw them away, and keep them away from babies and children. Be careful not to twist or damage power cord when assembling the light.
- ②. Screw part G into Part K, ensure it's fully tightened.
- ③. Screw part F into Part G, ensure it's fully tightened.
- ④. Screw part E into Part F, ensure it's fully tightened.
- ⑤. Screw part D into Part E, ensure it's fully tightened.
- ⑥. Gently Pull any excess cable between the tubes and then screw part H tightly by wrench I. Do not over tighten.
- ⑦. Stick the felt Part J to cover the bottom of lamp base.
- ⑧. Put shade B onto the lampholder C, screw the shade with lampholder plastic ring A.
- ⑨. Keep the wrench I away from babies and children.
